

Royal Customs Brokers, Inc.
DBA Speed Global Services

To our valued customer,

Speed Global Services is a validated participant in the Customs-Trade Partnership Against Terrorism (C-TPAT) Program. The Custom-Trade Partnership Against Terrorism is a joint government and business initiative to build cooperative relationships that strengthen overall supply chain and border security. C-TPAT recognizes that U.S. Customs and Border Protection (CBP) can provide the highest level of security only through close cooperation with the ultimate owners of the supply chain importers, carriers, brokers, warehouse operators and manufacturers.

Speed Global Services is asking businesses to ensure the integrity of their security practices and communicate their security guidelines to their business partners within the supply chain.

If you are already enrolled in the C-TPAT Program, we ask you Log-In to your C-TPAT Portal and request to be monitored by Royal Customs Brokers, Inc. DBA Speed Global Services and Speed Motor Express of WNY, Inc. DBA Speed Global Services if you are utilizing both our Customs Brokerage and our trucking Warehouse services .

Also complete the first page of the Supply Chain Questionnaire-Business Partners. The remaining questions do not need to be completed if you are enrolled in the C-TPAT program.

As a C-TPAT Partner and Participant Speed Global Services is required to screen security procedures and practices being utilized by all businesses in our supply chain.

Please see attached C-TPAT Participant & Security questionnaire to be completed by your company. Please complete the entire questionnaire if you are not enrolled in the program to the best of your ability and return it to us immediately..

You can simply email response to chb@speedgs.com and rwarnerjr@speedgs.com

It is critical to have security procedures in place at the point of origin of your container or truck throughout the supply chain. Please see our website at www.speedgs.com and go to our Customer Center link and click on CTPAT for best practices on container and truck security including the container inspections, seal control, storage etc.

Thank you for you cooperation.

Sincerely,

Speed Global Services
