

Around the corner or around the world...
SPEED Delivers!

To our Valued Customers and Business Partners,

Important Service Update for Erie, PA and Jamestown, NY Markets:

Effective **February 15, 2025**, SPEED will no longer offer **Next Day LTL (Less Than Truckload)** service to the **Erie, PA** and **Jamestown, NY** markets. However, we will continue to provide service in these areas for **Dedicated** and **Expedited** shipment requests on our company fleet. In addition, our 3PL Team can handle any general LTL rate and service requests that you may have.

- **Last day for shipments destined to these areas: Thursday, February 13, 2025**
- **Final pickups in these areas: Friday, February 14, 2025**

This change comes as a result of increasing operational costs in these regions, combined with reduced shipment volumes and ongoing market pressure on freight costs. By focusing on our core services in **Western New York (WNY) and Ontario, Canada**, SPEED will be better positioned to continue delivering a high level of service to our customers.

We appreciate your understanding and continued partnership. For any questions or to arrange **Dedicated** or **Expedited** services, please contact our customer service team at sales@speedgs.com or directly to your current account rep. I can be reached directly at 716-876-2235 x1003.

Sincerely,
